

Agape Meal or Love Feast

On Wednesday of Holy Week we will share an agape meal or love feast. This is a meal centered on fellowship, companionship and love similar to the meals that Jesus shared with his followers and disciples. It is intended to be a simple, refreshing time to talk to our neighbors offering love and support. It is also not meant to be a burden to anyone.

There will be a sign-up sheet in the Parish Hall for those bringing simple items to share with your neighbors. Suggestions include cold cuts, cheese and crackers, fruit, vegies and dip, deviled eggs, cookies, tea, or lemonade. If you have specific dietary needs, please bring something that you can eat and possibly share.

It will be a wonderful break from the somberness of Holy Week. Please bring a friend or two and join in the love meal.
